

CHRP

CERTIFIED HUMAN RESOURCES
PROFESSIONAL (CHRP)

CERTIFIED HUMAN RESOURCES PROFESSIONAL (CHRP)

The CHRP is possibly one of the most popular programs in the field of HR. It is designed in response to the important role of human resources (HR) management in any organization. It provides the students with the necessary background essential to meet the needs of the corporate HR department in the 21st century.

It provides education in the fundamental areas of Human Resources to a novice and acts as a refresher for the practitioner. The CHRP course is being offered both in-class and online and can be done from the comfort of your home or office.

There are no memory-based exams or multiple-choice questions. Instead, we use application-based learning in the form of case studies or assignments.

Learning Outcomes

1. Analyze the traditional personnel management with the new approach of Human resource Management to achieve organizational objectives
2. Evaluate the human resource procedures and ways for recruiting and selecting appropriate employees in an organization
3. Evaluating the need for training and development within the organisation.
4. Analyze factors and procedures used in assessing human resource requirements and monitoring/compensating / rewarding employees suitably.

The course covers

Module 1: Fundamentals of Human Resources

Module 2: Human Resources Planning

Module 3: Job Analysis and Recruitment

Module 4: Screening and Selection
