# QUALIFI LEVEL 3

## HEALTH & SOCIAL CARE

### COURSE DESCRIPTION

The Level 3 in Health & Social Care Management has been created to develop and reward the health & social care workers of today and the future, and to continue to bring the recognition and professionalism to the health and social care sector. The rationale of the program is to provide a career path for learners who wish to develop their care capabilities within the health and social care sectors. This qualification provides a generic core of mandatory units that apply to all health and social care contexts and allows learners to select specialisms in the optional units.
