INTERIOR DESIGN

Professional/ Advanced Diploma

Course Overview

Do you have the urge to venture into the field of interior design? Successful interior designers must have an eye for color, creativity, and décor, as well as a deep knowledge of materials, furniture, and design software. This can be achieved through our Interior Design program. With our one-of-a-kind curriculum, you will be able to effectively implement your innovative design skills into industry experience and expand your portfolio for corporate success. Starting from design concepts and furniture to 3D visualization, you will learn all facets of interior design with us!
